INSTRUCTIONS

## Getting Started

Movies are a universal language! In this lesson, we will explore how to describe different genres, express your personal opinions, and compare films you've seen. Use the space below to think about your favorite movie and why it stands out to you.

## Genre Classification

Match the film genre to its common characteristics and provide one example of a movie you know for each.

Genre	Key Features	Example Movie
Science Fiction	----- ----- -----	----- ----- -----
Documentary	----- ----- -----	----- ----- -----
Thriller	----- ----- -----	----- ----- -----
Comedy	----- ----- -----	----- ----- -----

 **Movie Review Practice**

Fill in the blanks with the correct words from the bank to complete the movie review.

comedy

exciting

excellent

recommend

Last night I watched a new film. It was a \_\_\_\_\_ movie, which is my favorite genre because I love to laugh. The plot was very \_\_\_\_\_ and kept me interested until the end. I think the lead actor did an \_\_\_\_\_ job portraying the main character. However, the music was a bit too loud. Overall, I would \_\_\_\_\_ it to anyone looking for a fun evening.

 **Opinion Expressions**

Write a synonym or a similar phrase for these common movie-discussion expressions.

**I really like...**

---

---

**It was boring.**

---

---

**I prefer action over romance.**

---

---

**The movie was okay.**

---

---

**✓ Fact Check: Film Terms**

Decide if the following statements about film terminology are true or false.

1 A 'sequel' is the first movie in a series.

 T F

2 The 'plot' is the sequence of events in a story.

 T F

3 A 'subtitled' movie has the original audio translated in text on the screen.

 T F

4 The 'director' is the person who acts in the movie.

 T F
